Basketball Inspires Team Spirit at AC

Spirit was high this year on the hardwood floor at Augusta College. We had quite a few outstanding players to carry the school colors.

Bill Domen broke school record with 44 points. He also was named to conference All-Star Team.

Another outstanding player was Andy Schwitter who was selected by his teammates as most valuable player for Augusta College.

Christmas Tournament Proves to be Jag's Present

The first annual Christmas tournament, sponsored by Augusta College, proved to be accepted with enthusiasm by fans. With holiday spirit in the air Augusta College, College of Charleston, St. Andrews and Piedmont put on one of the finest tourneys seen in this area. Due to excellent planning by Coach Vanover Augusta College will stage this tournament as an annual event for Christmas holidays.

It appeared that Augusta College was a sure favor in the tournament after soundly beating St. Andrews 81-71 but disaster struck in the finals against Piedmont. By losing 72-54 to Piedmont, Augusta College had to settle for 2nd place. It should be mentioned that Piedmont and College of Charleston are four-year colleges.

Congratulations to Coach Vanover and his fine Augusta College Jaguars!!

A well deserved thank you is in order for the basketball players, cheerleaders, Coach Marvin Vanover, Assistant Coach Neal Cody for the outstanding job that they did this past year. We are proud of our team and of our school. These people have carried on our tradition of Augusta College.

We are all looking forward to our new team next year. We hope that they can match and even surpass this year's team record.

Jaguar Goes on to National

John Perry won the Region Six singles championship in the Association of College Unions bowling tournament held on the campus of Florida State University at Tallahassee.

The 21-year-old pre-med major copped the crown by putting together games of 179, 202 and 220 for a 601 series after qualifying for the final round by dropping 1620 pins for a 180 average through nine previous games.

The victory earned Perry a trip to Minneapolis, Minnesota for the national finals. Perry finished 25th among a field of 75 of the nation's top college bowling stars competing for the National Intercollegiate Bowling Championship.

Perry rolled sets of 520, 548 and 548 for an overall total of 1616 in his quest for the all-events title. He ranks 22nd nationally in singles, eighth in doubles, and was a member of the team which finished 15th for tournament.
